

Club Toaster Issue 23

Contents:

Color Fonts - The color fonts that were issued on Issue 19 had a flicker problem. This has been fixed and all the new fonts are included on this CD. Copy the fonts to your color fonts directory.

3.1 Wipes - Both Color and Matte wipes in 3.1 format are included on this CD. The wipes must be copied first to the Toaster/effects drawer and then a Project Editor must be used to create a useable project. Wipe Studio Lite was included on the previous issues of Club Toaster. Wipe Studio Lite contains a Project Editor or use Toaster Toolkit or TREXX.

Fly FX - 21 new effects have been included for Fly FX owners.

Niagra Clip - Club Toaster member Ralph Ocampo sent this loopable clip for use with the Flyer. Thanks Ralph!

ISSUE 23 completes Year 2 of Club Toaster. Call 800-525-2203 to order the finished Year 3!
